“Interactive,
inviting, and
informative!”

Britne Jenke, CPACC, CPTD, SHRM-SCP is a champion of inclusion for everyone.

With expertise in accessibility and adult learning and development, she advocates for disability inclusion and accessible workplaces. Her certifications in accessibility, human resources, talent development, and diversity & inclusion showcase her commitment. Featured as a speaker at multiple Talent Development events and conferences and on ATD's DEI podcast, Britne is recognized for her work in designing accessible and inclusive training. She recently published a handbook on “**Making Online Learning Accessible**” and offers public speaking, consulting, and resources to empower individuals and organizations in accessibility and disability inclusion.
