

We are Inclusive Pixelation.

Inclusive Pixelation is:

- a new company.
- started by Britne Jenke and Michael Bodman.

Inclusive Pixelation helps businesses include disabled people.

Inclusive Pixelation:

- helps make business better places to work.
- gives ideas to make websites better.
- gives ideas to make buildings better.
- teaches classes to businesspeople.

Inclusive Pixelation is from Las Vegas, Nevada.

We help businesses around the world.
